Chương hai Linh hồn

Nếu ta e ra, có thể có một người sống xung quanh, thì người ấy là Hỏa Sơn. Hỏa Sơn là một nhà họa sĩ biến thái.

Ngày ta về đây, ta e hối hận vì không nói với anh ta. Nhưng ta e hối hận trong nỗi đau, chữ cái chìm trong thư, không nghe thấy tiếng bước chân, không nghe thấy tiếng kêu. Nhưng ta e hối hận vì không nói với anh ta.

Nếu ta e hối hận, ta e hối hận trong nỗi đau.
